PUBLISHER'S SWORN STATEMENT

Drilling Contractor (DC) is published six times per year and is the official magazine of the International Association of Drilling Contractors (IADC), which has been serving its members since 1940.

Drilling Contractor is published by IADC, 3657 Briarpark Dr Ste 200, Houston, TX 77042. Reach us via phone at 713-292-1945, fax at 713-292-1946, www.iadc.org, or www.drillingcontractor.org.

FIELD SERVED

DC is the definitive source for the global drilling and completion industry, both land and offshore, and the only viable magazine exclusively covering this space. DC's enhanced editorial employs QR codes to help readers find related multimedia and other resources. DC has been published since 1944 and is the longest continuously published magazine focusing on drilling and completion (D&C).

DC's editorial is 100 percent drilling and completion focused – technology, markets, HSEQ, trends, and other critical issues impacting D&C.

CIRCULATION

DC's 18,450+ readers are professionals in the oil-and-gas and geothermal drilling and completion industry. It includes senior management at exploration & production and drilling contractor companies. DC offers the largest circulation available among drilling contractors (5,935). Total worldwide circulation for the November/December 2025 edition was

18,457. A 2019 study conducted by Signet Research Inc. concluded that, for each subscriber, a mean of 3.6 people also read DC, for a total of 4.6 people per issue. As a result, DC reaches a total potential reading audience exceeding 84,900.
